

Welcome to Little Learners.

Little Learners is the 2nd steppingstone in our series of Early Childhood Literacy programs. Children aged 3-4 years are eligible to enroll (must be at least 3 years old by September, 2025 and no older than 4 years old by May, 2026). We prefer your child is potty-trained. It is a 1-hour program. Adults are encouraged to stay in the library, however they are asked not to accompany the child during the program.

This program introduces letters and numbers, colors, and shapes, and works on developing fine motor skills. We will be using a hands-on approach to learning.

This year we are using a wide variety of manipulatives, music, movement, stories, art projects, and some STEM activities to reinforce and strengthen their skills.

We invite you to come explore the classroom with your child. This really helps with separation anxiety on the first day.

Registration opens April 21, 2025.

Sincerely,

Kim
