

WELCOME TO LITTLE LEARNERS (Formerly Kid Time Library Club),

Little Learners is the 3rd stepping stone in our series of Early Childhood Literacy programs. Your child must be 3 years of age by September 2020 and no older than 5 years of age by May 2021.

This program focuses on letter and number recognition, pencil grip, scissor usage and small motor skills needed for written communication.

We will learn through stories, songs and floor activities. We also include art and STEM projects.

Each week the library will provide a light nutritious snack and drink.

We will walk through our new Learning Without Tears program at our Open House. We invite you to come explore the classroom with your child. **To register for the coming year, you must call the library and leave a message that includes: your full name, the child's name, your phone number and which session you want.**

OPEN HOUSE DATES: to be determined

Light Refreshments

Sincerely,  
The Perry Cook Memorial Library Children's Staff
